TRENO

DESIGNED BY
STUDIO UULTIS

TRENO

The Treno Dining Table epitomizes lightness and elegance, with a sophisticated combination of wood and aluminum. Perfect for balconies or outdoor dining areas, its design captures the essence of refined outdoor living.

STRUCTURE

Constructed from a fixed aluminum frame with welded joints and metal screws for added stability, the Treno Dining Table features a tabletop made from specially treated teak hardwood, ideal for outdoor use.

OPTIONS

Choose between a wooden or High Pressure Laminate (HPL) tabletop to tailor this piece to your specific needs.

FINISHES

Select from a variety of finishes to create a truly one-of-a-kind piece.
