CATU

DESIGNED BY
ESTÚDIO UULTIS

CATU

The Catu Armchair is a refined piece of furniture that harmonizes elegance and strength. With smooth lines and wooden armrest detailing, this armchair embodies sophistication and long-lasting quality.

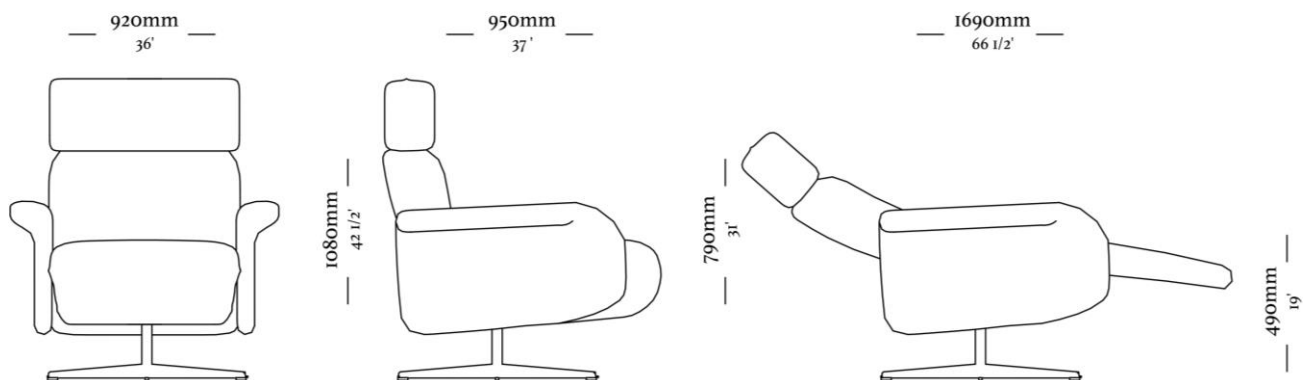

STRUCTURE

The structure of the Catu armchair is complex and comfortable. The frame is made of carefully selected solid wood. The comfort layers include elastic straps and medium-density foam in the seat, while the backrest features high-resilience foam.

FINISHES

Available finishes and coatings according to the price list. There is a wide variety of finishes and coatings to create unique pieces.
