O P Y

DESIGNED BY  
SÉRGIO BATISTA

# O P Y

---

The Opy dining chair represents the best of the union between design and comfort. Its structure is made of natural solid wood, organically crafted to generate a unique visual. The backrest is covered with natural cotton straw, a noble material that provides greater comfort and a contemporary look, in addition to allowing ventilation of the backrest, bringing more comfort to the user.

## STRUCTURE

*Solid wood structure with backrest made of hexagonal natural cotton straw, the seat has an elastic strap and medium density foam.*

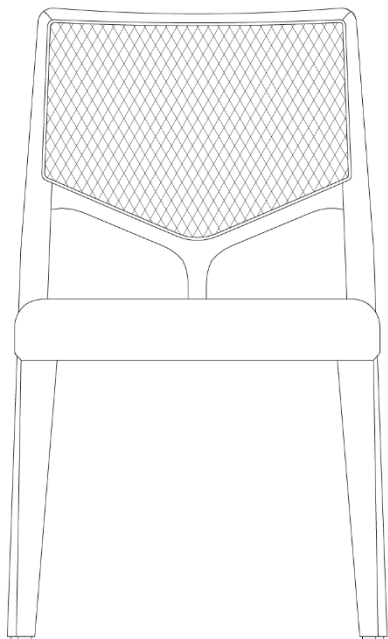

## FINISHES/COATING

*Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.*
