L I K E

DESIGNED BY
SÉRGIO BATISTA

L I K E

A piece made of parallels: between the elegant and the functional, and the wood the metal. The distinctive shape and unconventional look will surely attract all the attention.

STRUCTURE

Side table with MDF top covered with natural wood veneer with metal base with wooden tip.

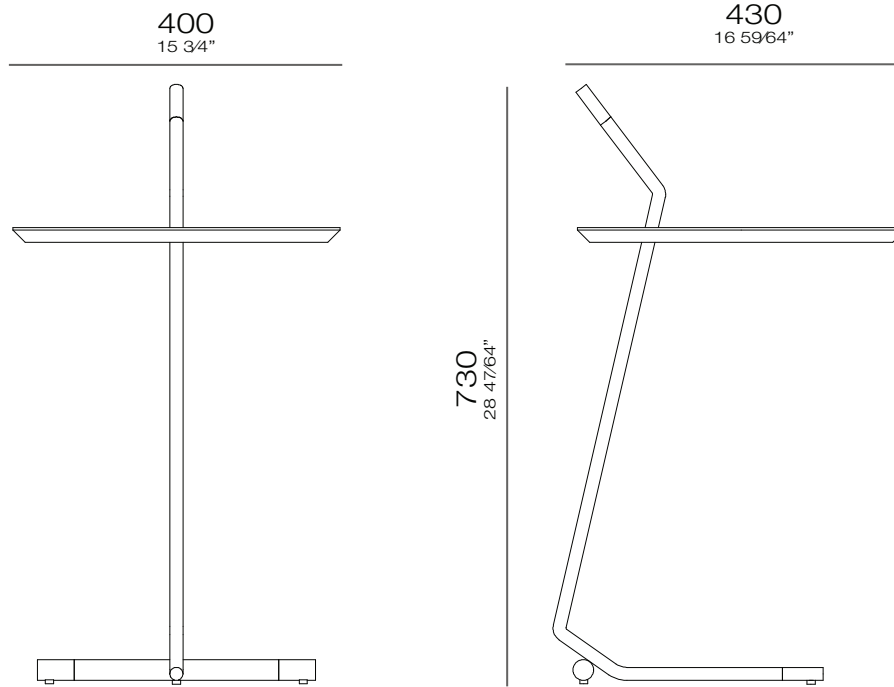

FINISHINGS

Wood: 148LT, 145LC, 079CV, 148LT. Metallic base: 077, 127, 084, 085, 087.

COMPOUND

Base / top + tips.
