RION

DESIGNED BY
SÉRGIO BATISTA

RION

Versatility and elegance that make all the difference in the environment. The Rion support table comes as a complement to the family, which may be used on different occasions. The mixture of metal with wood makes the piece even more noble.

STRUCTURE

Top structure composed of MDF and multilaminated sheets. The base is composed of structure metal with electrostatic paint.

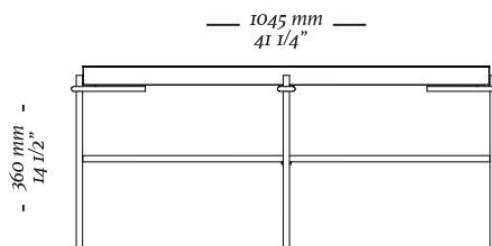

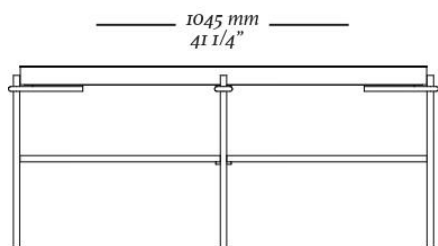

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
