DESIGNED BY
SÉRGIO BATISTA

M O O N

A good dinner needs a table to match. And Moon is perfect for that, as it has an exclusive design and is super resistant, so it doesn't move during use. What's more, you can decide between the swivel disc tabletop or not.

Choose the one that best fits your recipe - and your home.

STRUCTURE

The Moon dining table has strong solid wooden feet interlocked by the fastening structure which, aside from bringing an exclusive design, stops the structure from moving. The tabletop is made of laminated MDF to give a design.

FINISHING

Base: 077 Tc – 071 Tc – 085 – 087 – 090 – 084. Top: 077 Tc – 071 Tc – 085 – 087 – 090 – 084. Rotating Disk: Black Glass, White Glass, Off White Glass.

COMPOSITION

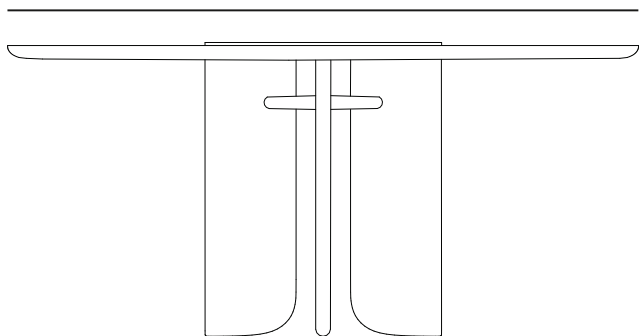

Base / Top (External edge of the feet with laminated finish for the top)

OPTIONS

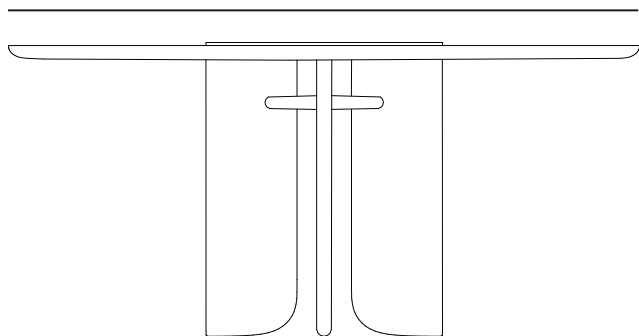

The Moon dining table has the option of a swivel disc on the top or not.
