BUTTERFLY

DESIGNED BY  
ESTÚDIO UULTIS

# BUTTERFLY

---

With traces inspired by the wings of a butterfly, the Butterfly Dining Table features its main highlight in its light and exquisite form. The arrangement of the legs ensures excellent support for the tabletop, allowing for various size options so that the product can be used in the most diverse spaces. Just like butterflies, the wood undergoes a natural transformation that gives it its own identity, providing a customized look to each product.

## STRUCTURE

*Sideboard with a solid wood base and top with MDF structure with options of glass or natural wood veneer top.*

## FINISHES/COATING

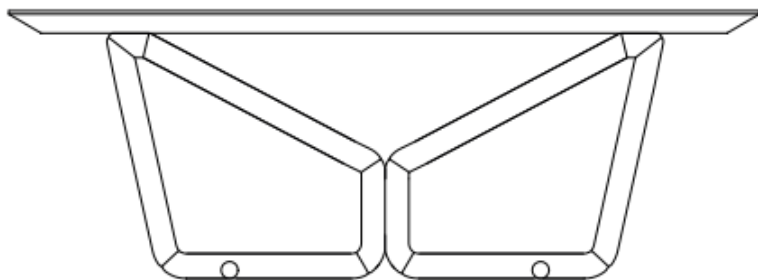

*Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.*

## CONTRASTING FINISHES

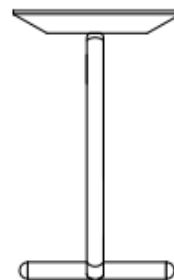

*Legs/Top*
