SUMMA

DESIGNED BY
ESTÚDIO UULTIS

S U M A

Information for the Suma dining table comes from the deepest and most preserved forests of the Brazilian Amazon rainforest. The shape of its base symbolizes the grandeur and impact of one of the most imposing Amazonian trees, the majestic Sumaúma. The entanglement of its roots is reflected in the base of this dining table. Its organic forms are a reminder of the richness of our flora and the strength of nature, combined to make an impact and fill the dining room with personality and levity.

STRUCTURE

Base of solid wood panels, fixed using metal screws and specific wood glue.
High quality veneer MDF top with natural wood or glass top.
