D O R A

DESIGNED BY
ACIOLE FELIX

D O R A

Round, cozy, and with the subtle touch of straw on the legs, the Dora dining table is recognized for its appeal to nature through the use of wood and its most perfect features. In addition, the piece proposes organic movement through the shape of its feet.

STRUCTURE

The structure of its feet is made of solid wood with natural straw detail. The top is made of laminated MDF.

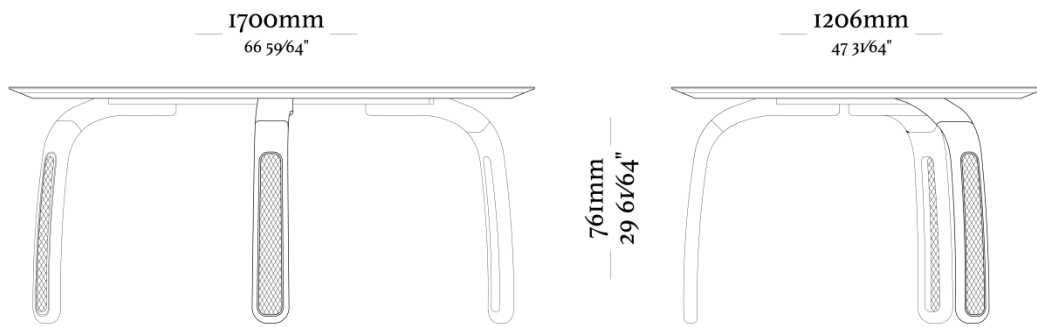

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
