I T Á

DESIGNED BY
STUDIO UULTIS

ITÁ

The Itá side tables combine rich wood textures with Rivestto, offering a natural touch to your outdoor space. Designed to complement the natural surroundings, these tables add both function and aesthetic value.

STRUCTURE

The aluminum base is paired with a Rivestto top and a wooden frame, creating a refined balance of materials and form.

FINISHES

A variety of finishes are available to create a personalized design.
