TURATI

DESIGNED BY
ACIOLE FÉLIX

TURATI

Combining creativity and functionality, the Turati Mirror dares in its forms, highlighting contemporary traits to create a truly unique composition. Inspired by the avant-garde of art and architecture, its striking shapes invite exploration of the intertwining lines and curves in a hypnotizing manner, reflecting beyond the image the artistic expression that surrounds it.

STRUCTURE

Structure composed of frame and side support in selected high quality solid wood, finished with natural straw overlay. And finally, the mirror as the central focus of the piece, resulting in a unique composition that explores the intertwining of shapes.

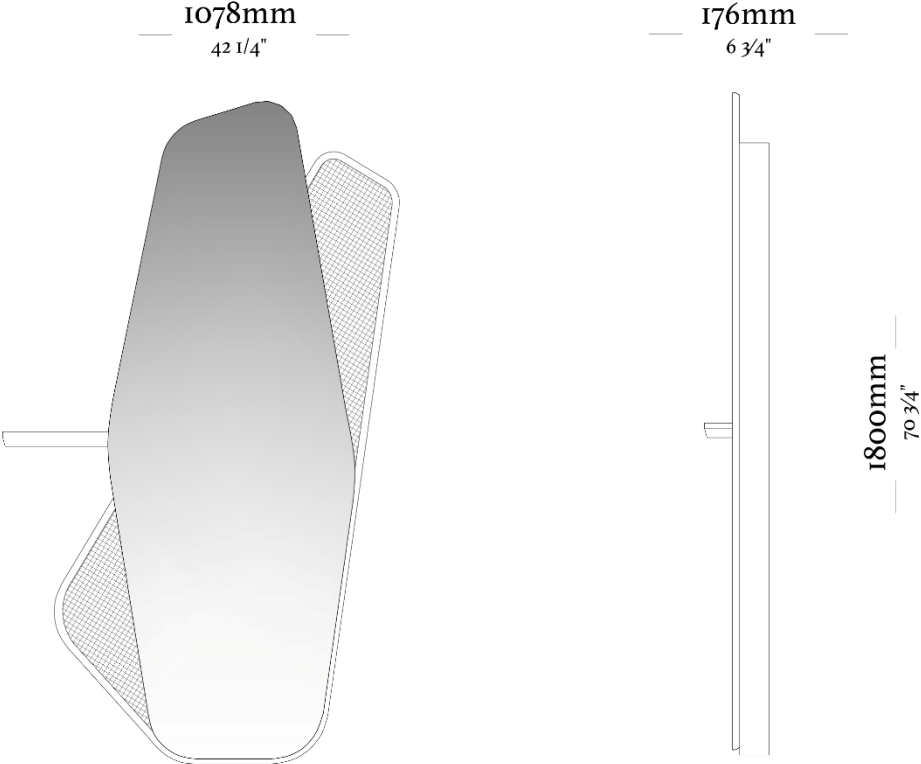

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
