LYGIA

Inspired by luxury beach houses and high-end resorts, the Lygia Dining Table elevates outdoor gatherings by enhancing both aesthetic and comfort. Its wooden slats evoke a natural connection to the outdoors, turning every meal into an experience beyond design.

STRUCTURE

The Lygia dining table features a premium solid wood base, with aluminum rods connecting the base to the wooden tabletop. This combination of materials conveys strength and visual balance while maintaining a refined, sophisticated appearance.

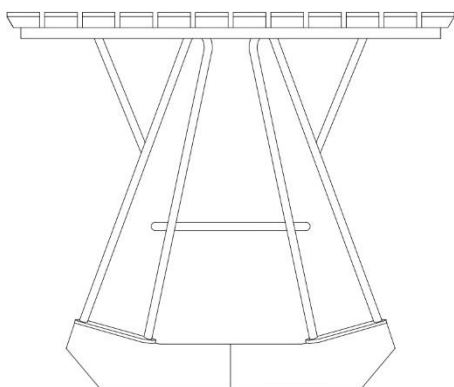

FINISHES

Explore a variety of finishes and upholstery options to create a personalized piece that reflects your style.
