LITORAL

DESIGNED BY  
ACIÓLE FÉLIX

# LITORAL

---

The Litoral side table offers elegance beyond functionality. Drawing inspiration from nature and modern architecture, its design combines metal, wood, and cane to explore unique details and endless creative possibilities.

## STRUCTURE

*The Litoral side table combines iron, wood, glass, and straw, reflecting its versatility through the materials used. Structurally, it is composed of a union between high-quality solid wood and iron rods, which support the glass and natural cotton straw tops.*

## FINISHES/COATINGS

*Finishes are available according to the price list. There is a wide variety of finishes to create unique pieces.*
