TRELIÇA

DESIGNED BY  
STUDIO UULTIS

# TRELIÇA

---

Drawing inspiration from the geometric beauty of architectural latticework, the Treliça side table combines design precision with visual elegance. Its structural form makes a statement in any space, blending art with functionality.

## STRUCTURE

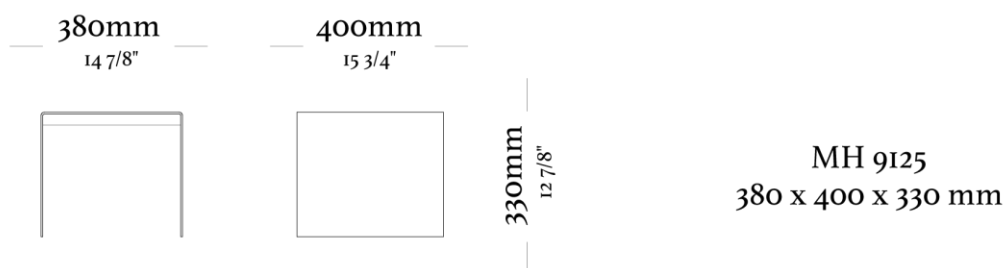

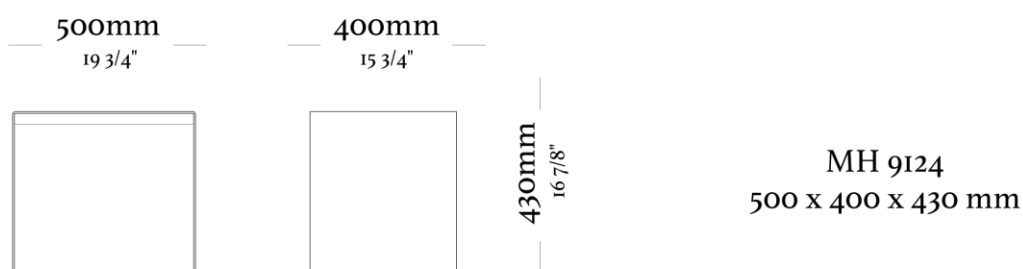

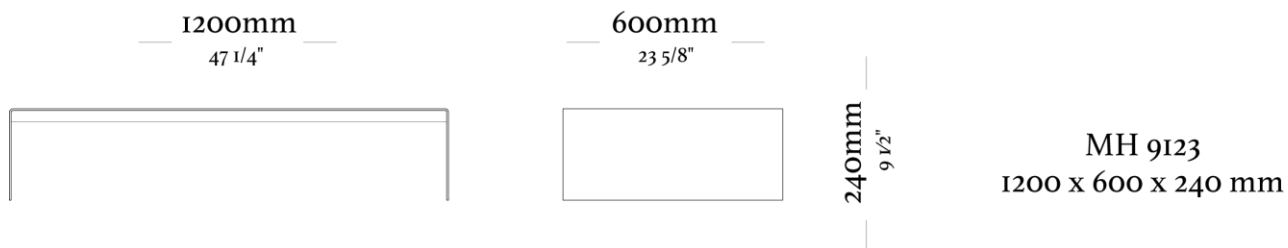

*Crafted from folded metal sheets with laser-cut detailing, the Treliça side table captures the essence of modern design with its geometric flair.*

## FINISHES/COATINGS

*Choose from a wide selection of finishes to create your own unique piece.*
