LYGIA

Inspired by the tranquil atmosphere of luxury tropical retreats, the Lygia chaise lounge is designed to offer unparalleled comfort and versatility in outdoor settings. A masterful blend of natural materials, it embodies the perfect synergy of nature and contemporary elegance.

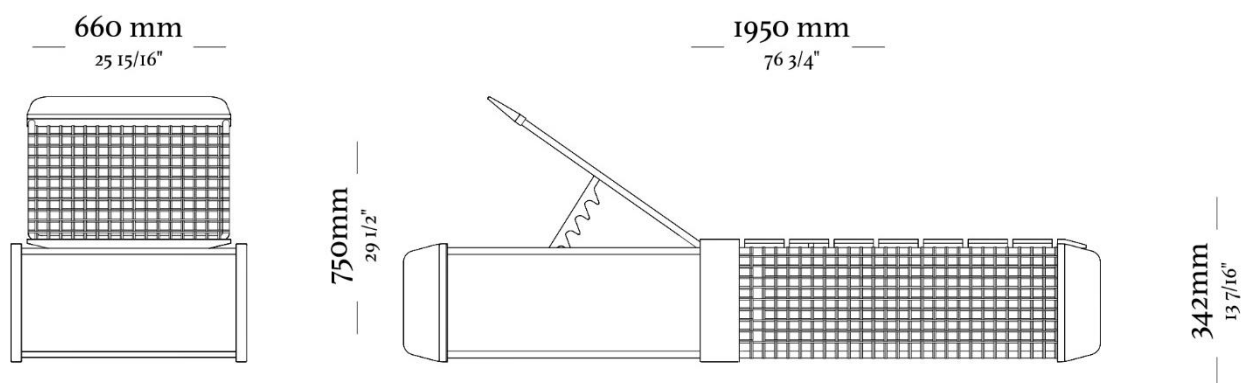

STRUCTURE

Crafted from aluminum and high-quality solid wood, the Lygia chaise lounge offers both ergonomic support and striking design through its thoughtful curvature and shape. The backrest and sides are adorned with a nautical rope weave, adding sophistication and warmth to this outdoor essential.

FINISHES/ UPHOLSTERY

Choose from a variety of premium finishes and upholstery options to create a bespoke piece tailored to your space.
