FALÉSIAS

DESIGNED BY
ACIÓLE FÉLIX

FALÉSIAS

The Falésias Bench is inspired by the majestic beauty of the cliffs rising from the blue ocean waters. With a solid structure and sleek lines, it symbolizes the balance between human creation and the natural serenity around it.

STRUCTURE

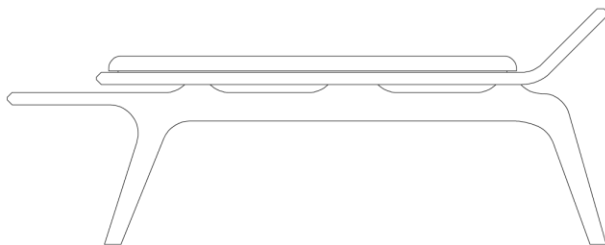

The Falésias bench is structurally made from carefully selected high-quality solid wood. The seat features high-density foam, which, combined with natural cotton straw details, adds even more comfort and coziness to the piece.

FINISHES/ COATINGS

Finishes and coatings are available according to the price list. There is a wide variety of finishes and coatings to create unique pieces.
