RIVA

DESIGNED BY  
ACIÓLE FÉLIX

# RIVA

---

The Riva chair combines urban dynamism with the serenity of nature. Inspired by the Italian meaning of "Riva," which refers to the banks of a river or lake, this piece of furniture offers comfort and elegance in a contemporary design with natural elements.

## STRUCTURE

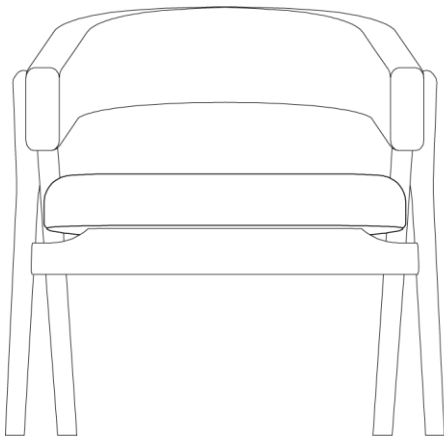

*The Riva chair is crafted from carefully selected, high-quality solid wood. Its seat comfort is ensured by a combination of high- and medium-density foams, along with an Eco soft blanket for an extra-soft touch. The backrest is further enhanced with medium-density foam upholstery, providing additional support and comfort.*

## FINISHES/COATINGS

*A wide variety of finishes and coatings are available, as outlined in the price list, allowing for the creation of unique and customized pieces.*
