LOOP

DESIGNED BY
STUDIO +A!

LOOP

The Loop armchair blends charm, lightness, and exceptional comfort. With its clean, ergonomic design, it provides both visual appeal and durability, while the handcrafted nautical rope loops add a touch of exclusivity, making it a standout piece.

STRUCTURE

The fixed aluminum frame is precisely welded for stability. The removable seat cushion, made of soft foam wrapped in Ecosoft foam, provides unmatched comfort. The backrest cushion is filled with siliconized polyester fiber, and the backrest and armrest supports are finished in nautical rope for added texture and sophistication.

FINISHES / UPHOLSTERY

Available in a range of finishes and upholstery options, providing endless customization possibilities.
