L I G

The LIG dining chair embraces minimalist forms in its structure, placing greater emphasis on the backrest detail, which is hand-woven, adding beauty and a unique touch of personalization. Its features allow it to be used in various settings, alongside pieces made from different materials and styles.

STRUCTURE

Aluminum metal frame with high-precision welding.

Seat made with high-density foam wrapped in Ecosoft foam padding.

Backrest covered with nautical rope weave.

FINISHES

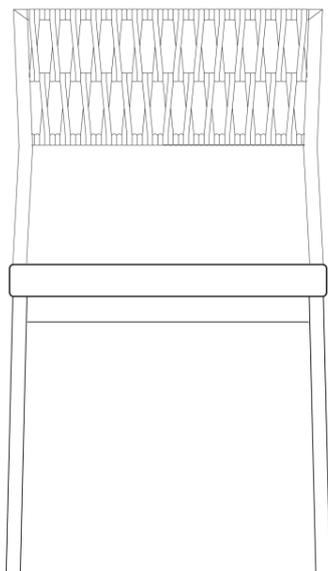

A wide variety of finishes and fabrics are offered to create unique pieces.
