CIPÓ

DESIGNED BY
ACIÓLE FÉLIX

CIPÓ

Inspired by the organic flow of the Amazon's winding vegetation, the Cipó lounge chair invites you to reconnect with nature. Its thoughtful design combines comfort with natural elegance, making it a luxurious addition to any outdoor space.

STRUCTURE

Built on an aluminum base, the Cipó lounge chair is paired with carefully selected solid wood for its seat. The piece also features a nautical rope weave, soft foam cushions, and high-density foam for both comfort and visual appeal.

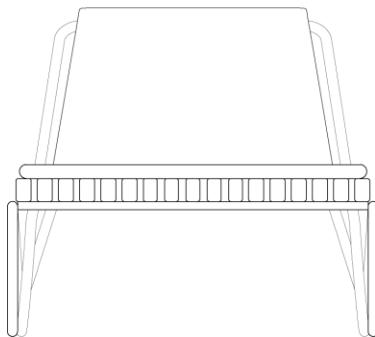

FINISHES/UPHOLSTERY

A variety of finishes and upholstery options are available to create a truly bespoke piece.
