BONITO

DESIGNED BY
ESTÚDIO UULTIS

BONITO

The Bonito armchair captures the serene charm and natural splendor of Bonito, Mato Grosso do Sul. Blending comfort with sophisticated aesthetics, it transforms any space into a retreat of tranquility and elegance.

STRUCTURE

The Bonito chair is structurally crafted from carefully selected solid wood of the highest quality. The comfort of the backrest is enhanced by the shaping and curvature of the wood, while the seat is upholstered with high-density and medium-density foam.

FINISHES/ COATINGS

Finishes and coatings are available according to the price list. There is a wide variety of finishes and coatings to create unique pieces.
