CAPITÓLIO

An armchair that not only enhances the ambiance of a contemporary living room but also evokes the natural beauty and rustic-chic charm of the city of Capitólio. It offers a space for relaxation and contemplation, inspired by the region's breathtaking landscapes.

STRUCTURE

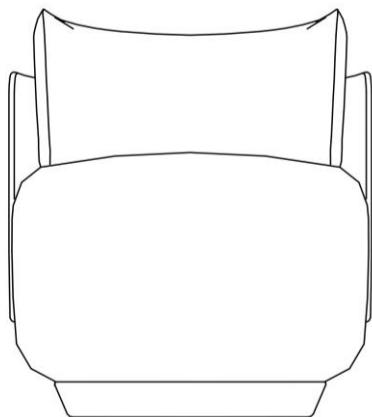

The structure is made of carefully selected solid wood of the highest quality. The comfort layers include elastic straps and medium-density foam in the seat, while the backrest features soft-density foam. Solid wood details are present in the backrest, which is made of laminated MDF.

FINISHES

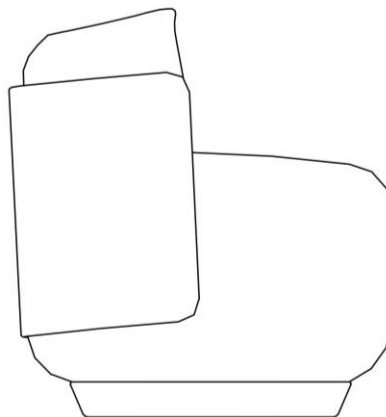

Finishes and coatings are available according to the price list. A wide variety of finishes and coatings are offered to create unique pieces.
