A I B Y

DESIGNED BY
SÉRGIO BATISTA

A I B Y

The solid wood structure combines with natural cotton straw and fine fabrics to create a unique bed, full of personality without losing the lightness and natural features, characteristic of Uultis products. Design and elegance make their presence felt in your room with the Aiby bed. Bed with solid wood structure covered with medium and high-density foam, wrapped in an ecosoft foam blanket. The model features a solid wood headboard with natural straw, giving the bed a bold and contemporary design.

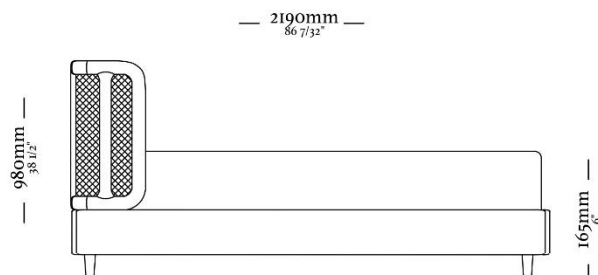

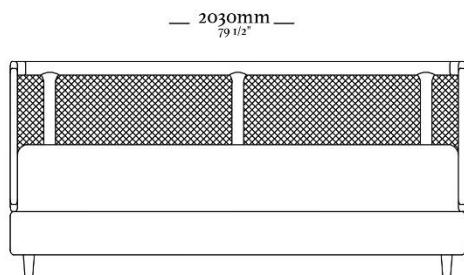

STRUCTURE

Solid wood headboard with natural cotton straw, a noble material that gives a bold and contemporary design to your room.

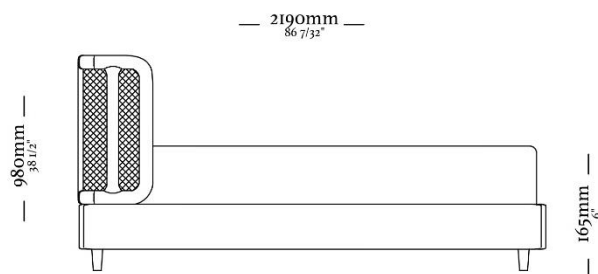

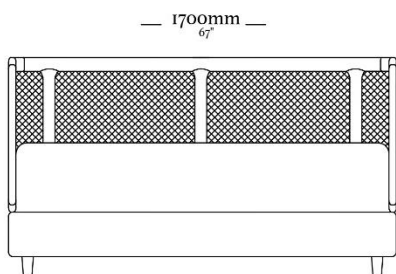

FINISHES/COATING

Finishes and coating available according to the price list. There is a wide variety of finishes and coating available to create unique pieces.
