URBANÍS

DESIGNED BY
UULTIS STUDIO

URBANÍS

A bed that embodies the essence of urban life with the purpose of providing superior rest. With a modern and sophisticated design, inspired by the vibrant energy of the city, Urbanis features smooth lines and a contemporary style. It is the perfect retreat to relax and recharge after a busy day, creating an atmosphere of tranquility that reflects nature.

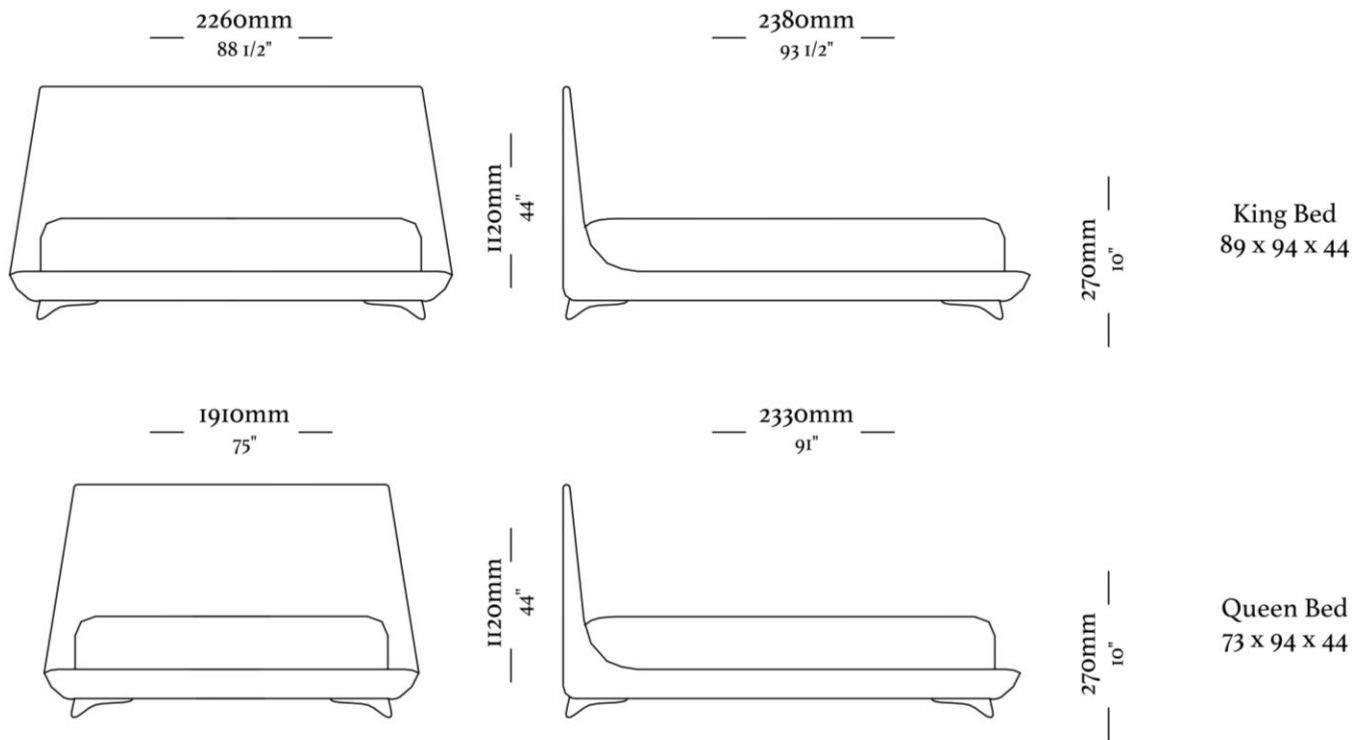

STRUCTURE

The Urbanís bed features linear shapes, structurally crafted from carefully selected, high-quality solid wood. The sides and headboard ensure comfort through upholstery with high-resilience foam.

FINISHES

A wide selection of finishes and coatings is available, as detailed in the price list, allowing for the creation of unique and customized pieces.
