ALVA

DESIGNED BY
ESTÚDIO UULTIS

ALVA

Alva emerges from the meeting of essential form and poetic presence. Inspired by circular geometry—symbols of origin and continuity—its oval volume conveys restraint and permanence. The organic handle introduces a subtle interruption to the geometry, balancing precision with natural irregularity.

STRUCTURE

The Alva nightstand is constructed in MDF finished with natural wood veneer. The handle is precision-machined from solid wood.

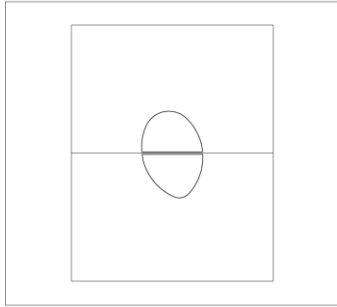

FINISHES

See price list for available finishes.
