ORIS

DESIGNED BY
ESTÚDIO UULTIS

ORIS

The Oris desk expresses the meeting of simplicity and craftsmanship. Its precise structure is enriched by hand-carved wooden details that bring warmth and identity to the design. Derived from the Latin word oris, meaning opening or expression, the name suggests the creative process that unfolds at its surface.

STRUCTURE

The desk is crafted from solid wood with artisanal carving along its sides. The MDF tabletop is finished with natural wood veneer.
