IGRIEGA

DESIGNED BY
ARTUR DE MENEZES

IGRIEGA

Igreiga is defined by the contrast between structural strength and upholstered softness. Wooden supports evoke architectural columns, while the wide seat and backrest invite comfort and relaxation.

STRUCTURE

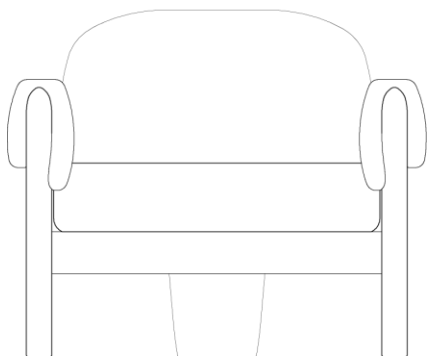

The armchair is crafted from solid wood. The seat and backrest incorporate soft foam, while the arms feature high-density foam for additional comfort.

FINISHES/UPHOLSTERY

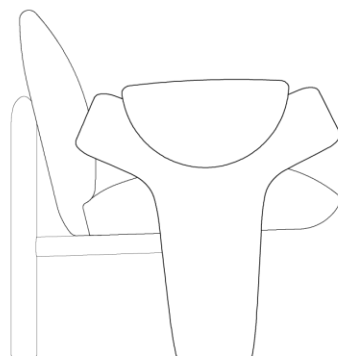

See price list for available finishes and upholstery options.
