SERENA

DESIGNED BY
ACIÓLE FÉLIX

SERENA

This dining chair version of the Serena design maintains the same structural clarity and comfort. Its slender metal frame supports upholstered surfaces that create a refined balance between lightness and stability. The design reflects the coexistence of delicacy and strength, making it adaptable to a wide range of interior settings.

STRUCTURE

The Serena dining chair features a tapered metal rod frame with upholstered seat and backrest using high-density foam.

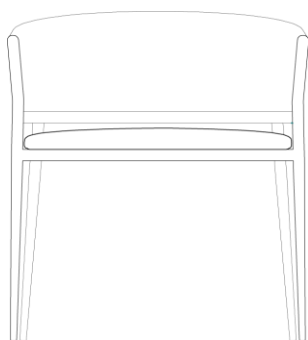

FINISHES/UPHOLSTERY

See price list for available finishes and upholstery options.
