A B R I G O

DESIGNED BY
PIETRO L. VERONA

A B R I G O

The Abrigo bed expresses comfort through continuous, rounded forms. Its curved headboard creates a sense of shelter, while the low-profile structure reinforces intimacy and calm. Inspired by Scandinavian organicism and Brazilian modernism, the design prioritizes comfort and quiet elegance.

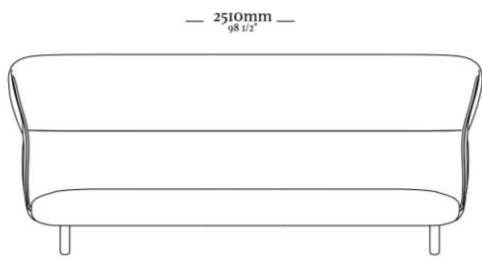

STRUCTURE

The frame is composed of solid wood. The headboard and side panels incorporate medium-density foam layers for comfort and support.
